All BOBS Bidders – Bid Submission Process

Step by Step Instructions on how a Trade Contractor Submits a Bid on BidCentral Online Bidding for Subcontractors (BOBS): <https://www.bidcentral.ca/online-bidding-for-subcontractors/bobs-help-resources/#toggle-id-1>

General Contractors Registration

For each BOBS bidding opportunity there are instructions on how a General Contractor can confirm their 'Intention to Bid' as required by the BOBS Rules of Procedure. This Registration (for Intention to Bid) is not unique to each project and can be completed at <https://www.bidcentral.ca/bobs-project-registration/> as long as a General Contractor has the BidCentral Project # to identify which project they are intending to bid (For this Project #2020-004322).

This process requires the General Contractor to:

1. List themselves as a General Contractor on BidCentral at the 'I Am Bidding' tab if they have not already done so (If you are a BidCentral Subscriber). This will allow BOBS Administration to ultimately list you as a 'BOBS Confirmed GC' and to ensure you receive notices about BOBS' Pre-Bid Interpretations and other related information.
2. Register and pay the General Contractor Closing Fee at <https://www.bidcentral.ca/bobs-project-registration/>. Here you will provide us with your contact information for communications, receiving the BOBS Bids and identify any Trades you would be Bidding Own Forces for. *Each General Contractor will receive BOBS Bids to the provided email address through a unique secure link after BOBS closing.*
